

REMARKS

In reviewing the file of the above-identified application, it was discovered that a typographical error was made in the application number of the French priority application on the declaration. The application number was inadvertently indicated as "FR 0216049"; the correct number is "FR 0216409". A copy of the Declaration is enclosed on which the applicants' attorney has made and initialed the change to the French application number. It is further noted that a copy of the correct priority document, French application no. 02 16409, was filed on May 7, 2004 to perfect the priority claim. Furthermore, the filing receipt has been updated to show the correct number, but the Bibliographic Data Sheet on PAIR (copy attached) has not been updated. Applicants hereby request that the Data Sheet also be updated so that the correct information appears on the patent, and have denoted the correction on the enclosed copy.

Respectfully submitted,

Date
